Mail merge	My mailmerge document includes at least three merge fields. My data table includes at least five records. I generated the merged documents.		I have fewer than three merge fields, five records or did not generate the merged documents.	I am missing a mailmerge document or a data table.	I did not complete the assignment.
Survey	I have at least five survey questions, with a text question, a paragraph question, a checkbox question, a multiple choice question, and a scale question. At least one of the questions is a required response. I also collect at least five responses.	I am missing one of the question types.	I am missing more than one question type, , or did not collect all of the responses, or do not have a required question.		I did not complete the assignment.
Presentation tool	I have at least five slides, including a title slide. My slides are aesthetically pleasing, with consistent use of fonts, pleasant colors, and an absence of distracting special effects. My text is summary in nature, and not intended to be read.	I have less than five slides, or am missing a title slide, but what is there is aesthetically pleasing.	I have all of the required slides, but use too many fonts, unpleasant color combinations, or distracting special effects.		I did not complete the assignment.
