

Web resource evaluation checklist

For five of your Diigo resources, did you:

<input type="checkbox"/>	Identify the cost?
<input type="checkbox"/>	Comment on the usability? (E.g., responsiveness, ease of navigation, clarity of instructions, easy/hard to figure out, steepness of learning curve, etc.)
<input type="checkbox"/>	Comment on if it would appeal to students?
<input type="checkbox"/>	Comment on its effectiveness as a learning tool?
<input type="checkbox"/>	Comment on its aesthetic appeal?
<input type="checkbox"/>	Comment on the quality of the content (is it up-to-date, is the information authoritative, is the content unique, is the content good, etc.)?
<input type="checkbox"/>	Identify what ages / grades it might be appropriate for?
<input type="checkbox"/>	Comment on the kind of support available (e.g. corporate tech support, corporate support for paying customers only, active user community, etc.)
